### CAREER OBJECTIVE

To work for an organization which will help in value addition and serve as a spring board to move ahead in my career by providing me interesting oppurtunities and harness the best of my caliber

### ABOUT ME

I am a 24 year old SharePoint Developer from Ernakulam(Kerala) currently based in Trivandrum. I love everything that has to do with Web design and development.

Currently working as a SharePoint Developer in EY mainly focussing on client side scripting and development. Having a 2 years of experience in IT Industry and able to handle multiple task and prioritize work with attention to detail. I love working with people specially if they have the same passion I have for what they do.
